Builders, Braco Developments immediately recognised the advantage of installing a home elevator, knowing it would improve the value of the property. They also knew that as one of Australia's leading residential lift companies, Easy Living Home Elevators would offer the experienced, professional team what they required and provide first class service with a personal touch. The result was a project that ran smoothly and according to plan.

Situated on a corner block and boasting spectacular views of Sydney Harbour, including the Harbour Bridge and Opera House. Braco Developments' wanted to create a home that was sure to become the talk of the town. On the main level, we find multiple living and dining areas, a bright, spacious kitchen featuring soft-closing polyurethane draws and luxurious Calacatta marble benchtops that harmonise perfectly with up-to-the-minute Gaggenau appliances.

Upstairs there are four spacious bedrooms, three of which have their own ensuite and huge built-in robes. The ensuites feature elegant floor-to-ceiling Statuario marble as well as steam showers, while in the master bedroom you can soak in a luxurious Sok bath while taking in the magnificent harbour views.

“

When we selected Easy Living Home Elevators, we knew we were working with Australia's leading residential lift company with 20+ years of experience. It was the first time we were incorporating a lift into a home and Easy Living Home Elevators looked after us throughout every step of the journey. The result was a project that ran smoothly and according to plan.

SINGLE-LEVEL LIVING SPACE AT THE PUSH OF A BUTTON

When you live in a house with four levels, the issues of movement and traffic flow become paramount, and just the thought of carrying loads of groceries up three flights of stairs is enough to make some people feel giddy.

Enter the Easy Living 'Domus Evolution' home elevator featuring stylish Italian designer, mirrored stainless-steel doors, stainless steel and mirrored walls, stone floor finishing and a carrying capacity of up to 400kg. Not only that, it's also whisper quiet and supremely energy efficient due to its low power consumption, reduced-start hydraulic system and auto-off lighting.

The exciting addition of the Domus Evolution home lift has made movement around the house almost effortless, effectively converting the multistorey residence into a single-level living space at the push of a button. Easy Living? They're not wrong.
