COOL SOPHISTICATION & MODERN INDUSTRIAL SIMPLICITY

The Domus Advantage residential lift immediately elevates the look of the home to one of cool sophistication and modern industrial simplicity. The black tower takes centrestage, brightening and widening the room, while the mesh panels further add natural light and spatial depth.

The Domus Advantage lift creates a luxurious and opulent lifestyle for anyone wanting the finer things in life. The use of Italian commercial style materials in a monochromatic colour scheme and strong use of timber throughout the home allows this look to be warm, welcoming and always on-trend.

DOMUS ADVANTAGE LIFT

The Domus Advantage residential lift immediately elevates the look of the home to one of cool sophistication. The black tower brightens and widens the room, while the mesh panels further add light and spatial depth. There is a sense of serenity and languid peacefulness in the home, created mainly through the extensive use of commercial style materials, used in such a way that defies expectations.

INTERIOR LIFT CAR IS SLEEK, TIMELESS & HIGH-END

The commercial style monochromatic colour scheme of black and silver selected for the interior lift car is sleek, timeless and high-end creating the ultimate modernist statement. A rear glass wall maximises natural light into the lift car to its full potential.

The self supporting tower with mesh panels allows light to be carried between levels, while the black tower profiles gives the appearance of floating in mid air and harmony in the home.
