RESORT LIVING

BE INSPIRED | DOMUS ADVANTAGE LIFT

RESORT STYLE LIVING

Architects and Interior Designers, ‘Bayview Design Group’, along with award-winning builder, ‘Matrix Additions’, worked hand in hand with the owners to create four levels of superbly finished interiors featuring a Domus Advantage elevator in an enclosed self supporting glass tower servicing all 4 levels of the home. A clean visual high end architectural design is achieved, providing views, natural light and a sense of spaciousness.

LUXURY PRODUCTS HIGH ON THE AGENDA

The award winning “Master Builders Association in housing excellence” dwelling includes five bedrooms, four bathrooms, a formal lounge with wet bar, 1000-bottle wine cellar, gym and theatre room. There is approximately 600sqm of internal light-filled living area that promotes a seamless design, with good flow from indoor to out. The home ticks all the boxes on the project’s brief. A resort-style feel with luxury products high on the agenda and easy accessibility within all four levels of the home combined with beautiful water views.

The “world class premium” Domus Advantage lift was proposed by Bayview Design Group, to be installed in the core of this chic and modern home taking this prestigious home to an exciting new level and at the same time heightening the holiday feel. Passengers could travel in the glass elevator admiring the picturesque view, while the glass self supporting tower integrates natural light into the living spaces.

“22+ years on, the Domus Advantage is a true Australian icon, designed, engineered & built in Italy to suit the requirements of the Australian market”

DOMUS ADVANTAGE LIFT

Designed and engineered to new heights, the Domus Advantage lift is a two speed lift icon, representing the ultimate combination of power, flexibility, unmatched quality and legendary performance.

TAKE YOUR PRESTIGE HOME TO AN EXCITING NEW LEVEL

The clients were after after the very latest in innovation, European quality and style when it came to their lift and selected Easy Living Home Elevators as their lift company of choice. They opted for the Domus Advantage lift in a self-supporting glass tower positioned in the middle of a staircase enabling the optimum utilisation of the floor area, creating valuable use of what may otherwise be dead space. Whether you're looking for a glass lift as part of an architectural design, or as an installation in an existing house, the Domus Advantage lift in a self supporting glass tower will guarantee a stunning result.

> ***"Bringing natural light into the home gives a great, positive sense of well-being. The Domus Advantage lift contained within the glass tower is a massive tick. It's definitely designed to turn heads, start conversations and wow's our guests.***
