

Get the *Scandinavian Look*

Light & airy space

This elevator cabin features a neutral, lighter wood tone interior full of warmth with a pop of black.

Light and airy wood laminate wall panels in Douglas Ice, creates an earthy, soft and natural hue dominating the cabin interior.

The pop of black "Nero" PVC flooring grounds the space and elegantly adds depth and character to the cabin interior.

The clean, simple lines and calming nature of the elevator cabin interior is why this Scandinavian look is so popular.
